

Banyule Junior Football Club

Child Safe Recruitment Policy

1. Purpose

1.1. This policy is intended to assist the Banyule Junior Football Club (the Club) in ensuring all incoming volunteers and officials are aware of and meet the minimum behavioural standards expected, and is designed to ensure that child safety, equality, and fair treatment are issues at the core of the Club's culture. Further, it is intended to give the Club's volunteers and officials guidelines by which to make the right decisions during the appointment process.

2. Equal Opportunity and Discrimination

2.1. The Club will give equal consideration to the submissions of all applicants and will not show bias or discrimination on the grounds of gender, race, age, disability, sexual orientation, religion or any other characteristic.

2.2. Recruitment staff will treat all applicants with the same respect and will provide an "even playing field" during interviews. This includes, but is not limited to, using the same base list of questions for applicants (except when pursuing the specifics of an applicant's career), allowing the same amount of time for interviews, and allowing the applicants equal chances to ask their own questions.

3. Applicant Screening

3.1. It is the responsibility of the Club to conduct adequate background checks on applicants under consideration for a position with the Club. The applicant may only be offered a position if they both agree to and satisfactorily pass these requirements.

3.2. Applicants must supply personal and professional referees with their application. The Club will contact these referees to ensure the suitability of the applicant to our organisation.

3.3. Prior to being offered a role with the Club, applicants must pass a Working With Children Check. The Club may offer a position to an applicant prior to the WWCC being attained, on the condition that the applicant gains one before commencing work. Applicants may refuse to submit to this test but will no longer be considered for the role.

3.4. Prior to being offered a position with the Club, applicants will be required to sign our Child Safe Code of Conduct

3.5. Working With Children Checks must be uploaded and verified via Everproof and sighted by a current Committee member(s) to meet the requirements in clause 3.3.

3.6. In addition to these regulated checks, the Committee member(s) undertaking the recruitment process must strive to determine the compatibility of all applicants to these standards through the applicants' CV and any resulting interviews. Recruiters can consult the "Best Recruitment Practices and Guidelines" during this process.

3.7. Any applicant appointed by the Club will commence under a two month probation period, during which the Club may further assess the applicants suitability to the role and ensure they pose no threat to child safety standards.

4. Confidentiality

4.1. The Club will treat all information obtained during the application process with discretion and will not share this information with third parties or other applicants, with the exception of information required for the stated background checks.

4.2. The Club may retain applicants' contact information and application documents against the possibility of future employment opportunities. Applicants may request for their information to not be kept at any time following an unsuccessful application.

5. Disclosure

5.1. This Policy must be made available to all applicants from the commencement of the application process, to ensure their full understanding of rights and requirements prior to submitting an application.
